

2018 Game Times by Age

2012 Boys	Ball size 3	
2012 Girls		
2013 Boys		3v3 four 6 min periods with 3 to 5 min in between periods. Coaches decide at game if they would like to play more periods. No goalie in the box. Players can go into the box and touch the ball. Coach on the field optional. This is a teaching league and you or not just the ref. You are the facilitator of the game. We would like the teams to be between both fields and the parents on the outside. We will play two 3v3 games at the same time. A coach can be on each field and another coach can watch the bench. You can sub players to either field as needed. The league will supply 2 referees one for each field. There will be one clock for both fields so they start and stop at the same time. If 6 or less players show up, we will play 4v4 on one field. No Head Balls.

All Ages Rules:

When a goalie has even one hand on the ball the ref should whistle the play dead. We don't want field players kicking at our keepers.

When the ball has gone out of bounds we want the Ref to blow the whistle and yell the color of the team that gets the throw in and then you point in that direction.

At a start or restart of the game the players cannot run into the center circle until the ball has been kicked.

No slide tackling – the player is warned and the other team gets an indirect kick

Dangerous play – if a player is on the ground and the ball is by the player and the other players are kicking the ball you must call dangerous play. If the player takes out his own team mate and 2 or more players are on the ground. You can do a drop ball to restart play.

No Head Balls

When a player deliberately heads the ball in a game, an indirect free kick (IFK) should be awarded to the opposing team from the spot of the offense. If the deliberate header occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the point nearest to where the infringement occurred. If a player does not deliberately head the ball, then play should continue, Check on player and make sure they are ok.

Hurt Player - Go check on the players and then call the coach on the field if the player cannot continue to play.
